The Mid Wales Centre would like to thank all those involved with the organisation of this event, particularly the observers who volunteer their services, and without whom there would be no event.

A personal thank you to Elwyn Williams for the considerable time put in laying out the course, and of course Jean Williams for the usual hard work behind the scenes as secretary.

WARNING!

Motor sport can be dangerous.

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.

Please comply with all instructions of Marshals and notices and remain in permitted areas only.

FINAL INSTRUCTIONS

START: The start will be at the Cann Office Hotel Llangadfan Welshpool A458 Welshpool to Dolgellau road

STARTING TIME: Competitors will start at 09.31 at 1 minute intervals. It is the responsibility of the competitor to present himself to the starter at his appointed time and allow time for machine examination prior to start.

SECTIONS: 40 sections for Novogar classes. Clubmen miss out sections 27 and 28. Feel free to ride them if you fancy a challenge though, no massive steps just tough slippery waterfall.

METHOD OF MARKING: TSR-22B **Non-stop** - sections have been marked out accordingly.

TIME ALLOWANCE: Each rider will be allowed 6 hours 30 minutes to complete the course. For every 1 minute in excess of the time, 1 mark will be lost, to a maximum of 20 minutes, after which the penalty will be exclusion. Time will finish at the last section, but punch cards must be returned to the Cann Office. For safety reasons riders may load bikes in cars/vans **after the last section**. **Time is fair but can be tight, do not waste time early on.**

RIDING BIBS: When signing on, each competitor will be issued with a riding bib.

These must be handed in at the last section.

PETROL: Petrol is not available at the start and competitors must provide for their own fuelling throughout the day. Vehicle access is available to within 200 yards to 90% of the sections. Suggested fuelling points are shown on map page. These are known to be more than required. Observers may be able to take fuel along for you but we will need to know very early on Sunday.

SUPPORT VEHICLES: Slight change of route from previous years. Very slippery grass covered track after section 16 (checkpoint D) so avoid this by going straight on after the quarry (section 13-15). We've had a close call with a runaway car already so worth avoiding if not in a 4 x 4.

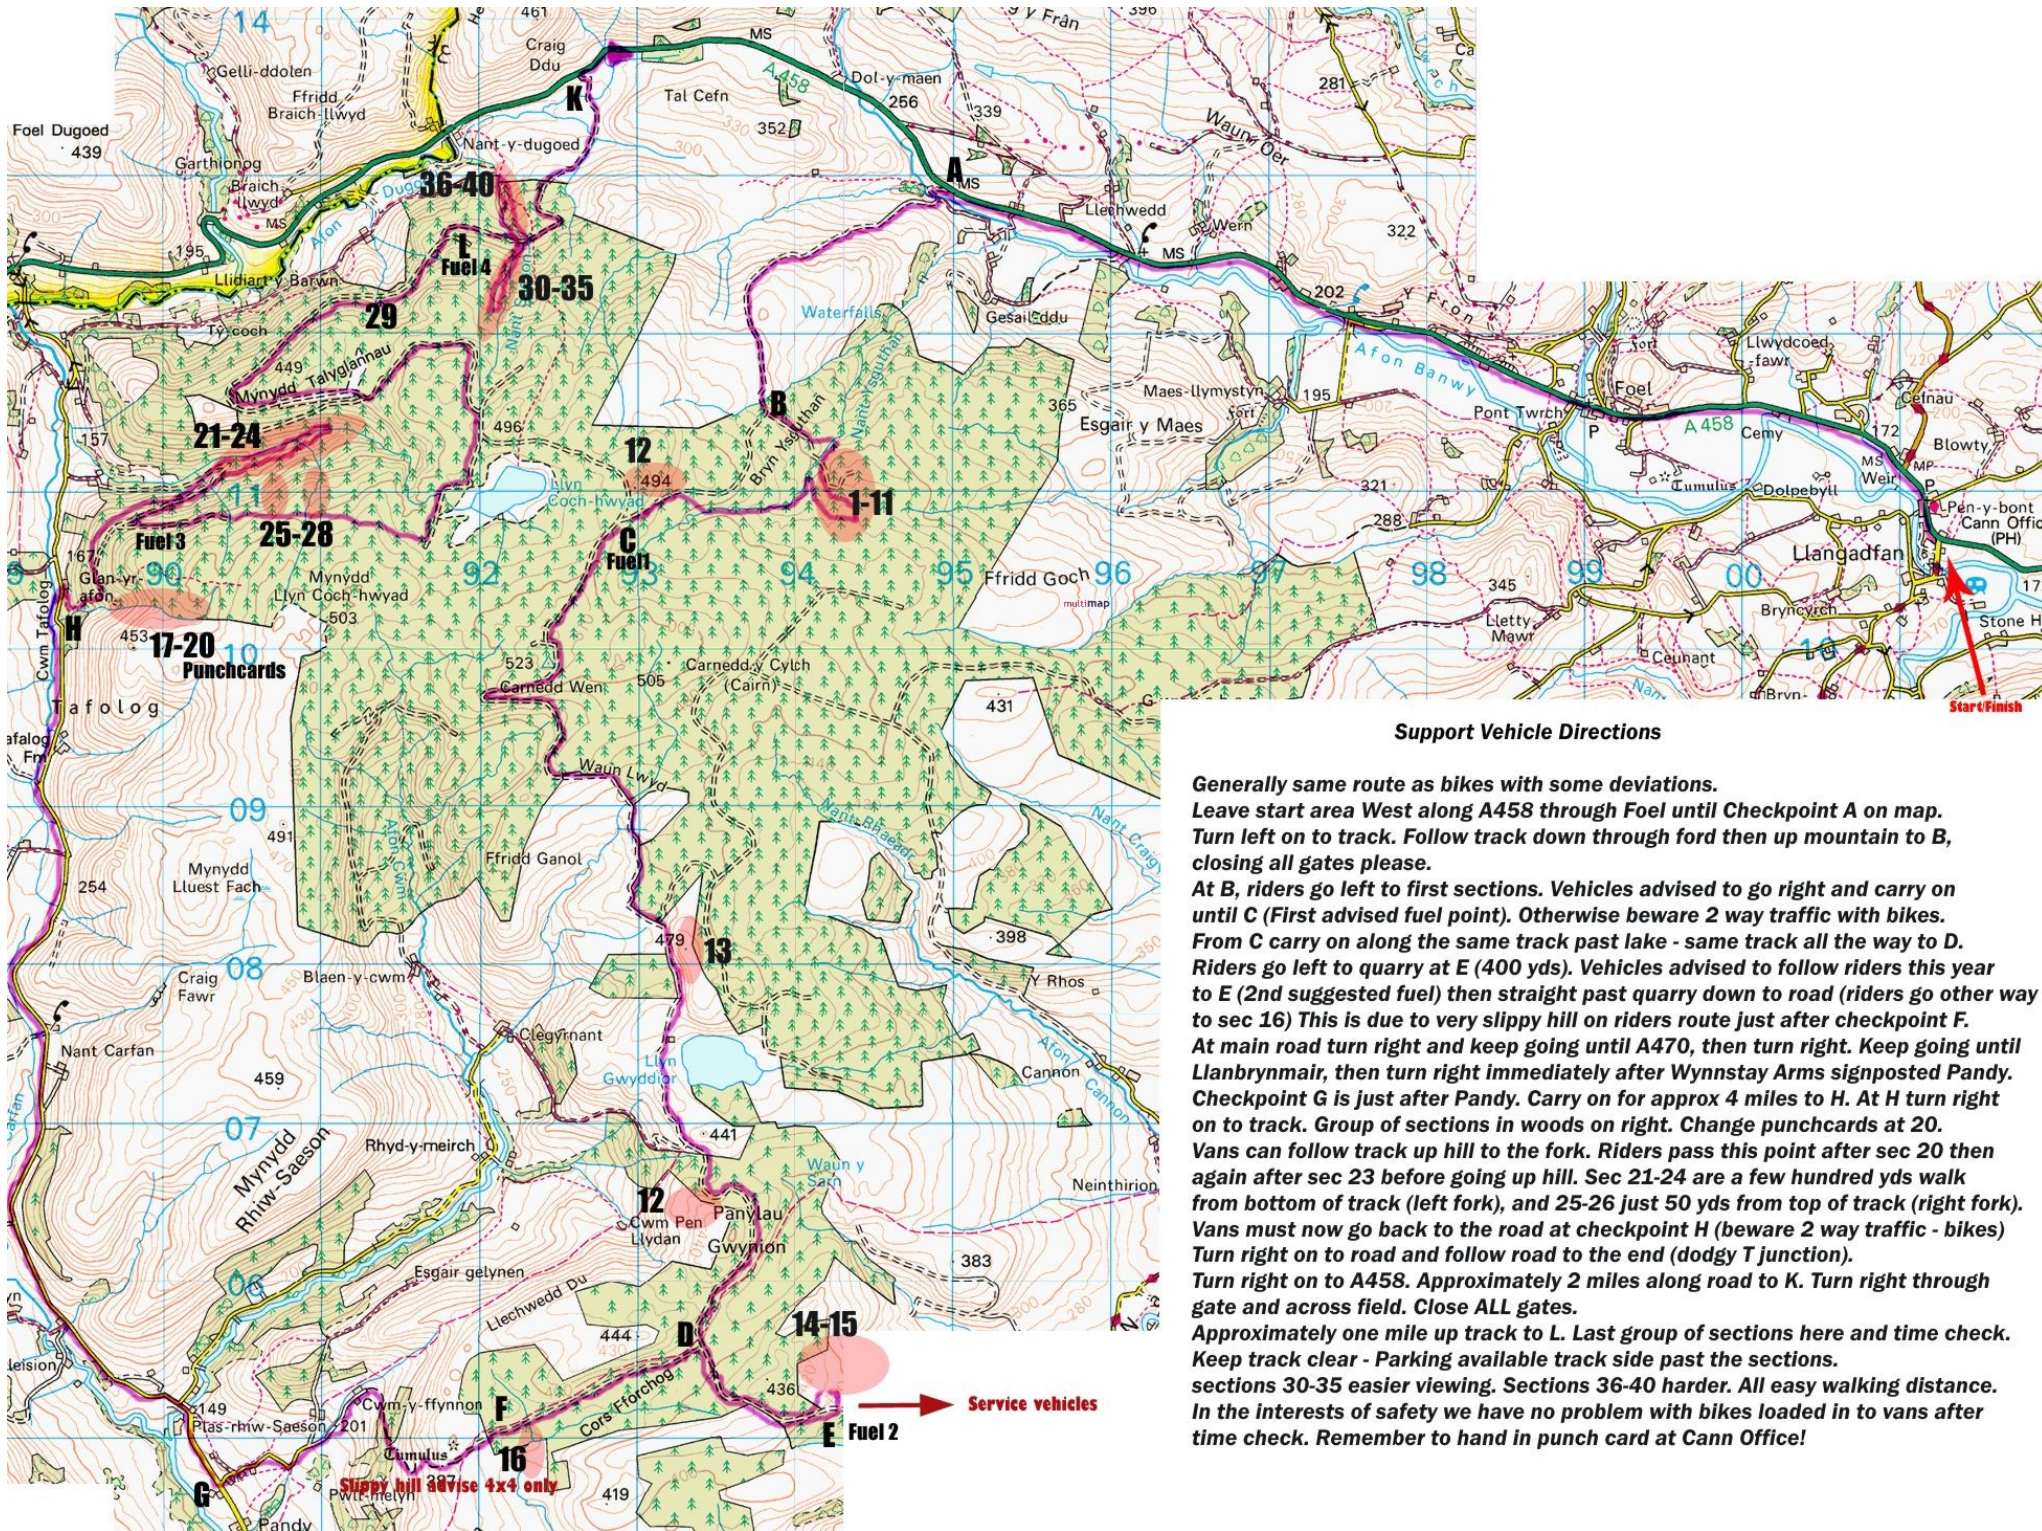

REFRESHMENTS: will be available at the start and end of the day.

29-34	Nant y Dugod	Rocky Stream
35-40	Cwm Dugod	Rocky Stream

Support Vehicle Directions

Generally same route as bikes with some deviations.
 Leave start area West along A458 through Foel until Checkpoint A on map.
 Turn left on to track. Follow track down through ford then up mountain to B, closing all gates please.
 At B, riders go left to first sections. Vehicles advised to go right and carry on until C (First advised fuel point). Otherwise beware 2 way traffic with bikes.
 From C carry on along the same track past lake - same track all the way to D.
 Riders go left to quarry at E (400 yds). Vehicles advised to follow riders this year to E (2nd suggested fuel) then straight past quarry down to road (riders go other way to sec 16) This is due to very slippy hill on riders route just after checkpoint F.
 At main road turn right and keep going until A470, then turn right. Keep going until Llanbrynmair, then turn right immediately after Wynnstay Arms signposted Pandy.
 Checkpoint G is just after Pandy. Carry on for approx 4 miles to H. At H turn right on to track. Group of sections in woods on right. Change punchcards at 20.
 Vans can follow track up hill to the fork. Riders pass this point after sec 20 then again after sec 23 before going up hill. Sec 21-24 are a few hundred yds walk from bottom of track (left fork), and 25-26 just 50 yds from top of track (right fork).
 Vans must now go back to the road at checkpoint H (beware 2 way traffic - bikes)
 Turn right on to road and follow road to the end (dodgy T junction).
 Turn right on to A458. Approximately 2 miles along road to K. Turn right through gate and across field. Close ALL gates.
 Approximately one mile up track to L. Last group of sections here and time check.
 Keep track clear - Parking available track side past the sections.
 sections 30-35 easier viewing. Sections 36-40 harder. All easy walking distance.
 In the interests of safety we have no problem with bikes loaded in to vans after time check. Remember to hand in punch card at Cann Office!
